This publication is produced in an effort to help regenerate the economy of Cefn Mawr and establish Cefn Mawr on the Tourist Map. This will enable Cefn Mawr to become Rural / Urban Tourist & Transport Hub for The Pontcysyllte World Heritage Site, Dee Valley & South Wrexham over the course of the LDP2.

Our website sees in excess of 10,000 hits per month so if you are a business on Rhosymedre it is well worth advertising with us and having a hot link into your own website or facebook page. All we ask is that you display a PKC Group Poster in your shop window which you can get from Dave & Janine at the Post Office.

This will help us to get Visit Wales recognition and the Grant Funding we need for main road Brown & White Tourist Information Signs. And if you fancy having a chat about this you can always call round to the Holly Bush Inn where you will be most welcome.
