CEFN'S REMEMBRANCE SERVICE

Cefn Community Council wish to thank the community of Cefn for the excellent turnout on Remembrance Day. Special thanks to the children of Acrefair, Rhosymedre, Cefn and Min Y Ddol primary schools and Ysgol Morgan Llwyd for their readings. A proud moment for our community, seeing people of all ages joining together to remember our fallen soldiers. Thanks again to all.

YSGOL RHOSYMEDRE NEWS

Year 4 pupils have received their first 'Bright Sparks' session, which has been funded by Scottish Power. This project is designed to raise the children's

awareness, knowledge and interest in Science, Technology, Engineering and Mathematics (STEM) through an extremely interactive, engaging and fun way. The children were led to believe that they were just having a STEM workshop about Wind turbines and how electricity is made. However, the workshop was suddenly interrupted by Professor Sparky and his niece Erica, who burst into the classroom desperately needing the help of the children! The pupils were then tasked to undertake various STEM games which involved team working, listening, problem solving, experimenting, and designing. Everyone had an immensely stimulating and fun time.

We would like to thank Tesco, Cefn Mawr who kindly donated Halloween costumes to our school the children have had so much fun with them.

News Update

Welcome to the fifth edition of Crane News.

Hello everyone. Since the last edition we have concluded the Covid vaccination programme having successfully vaccinated over 1700 patients here at the surgery and at Plas Madoc Leisure Centre we can now update you on how we are progressing with this year's Flu vaccination campaign. Despite the numerous setbacks with deliveries we have remained positive and ploughed on with adhoc clinics as and when the deliveries have allowed. So again a very big thank you to all those patients who accepted our offer of being vaccinated (many at short notice) and have helped towards keeping our community safe. You can be equally proud by knowing you have participated in what is projected to be the biggest flu campaign in UK history. For all eligible patients yet to have received one we urge you to contact the surgery to confirm a booking slot for your flu vaccination.

Whilst we are heavily committed to ensuring that we vaccinate all eligible patients with their flu vaccination we as a practice are also proud to be supporting the Health Board in its delivery of the Covid boosters programme by running numerous scheduled clinics at Plas Madoc Leisure Centre. You can expect to automatically receive an invitation six months from the date of your second Covid vaccination and as such do not need to contact us directly. As a friendly and dynamic team we look forward to hopefully seeing you at one of these designated sessions.

Though these are very difficult and trying times for all of us we wish to reaffirm our commitment to our patients. Despite the constant demoralising and negative press and social media attacks targeted at GPs and primary care, our doctors along with our clinical and non-clinical practice staff take immense pride in getting to know our patients. In doing so we get to unearth the health problems that impact their general wellbeing and quality of life and wherever possible treat them and in many cases the generations of the same family that make up our practice list.

If, however, you are not a currently registered patient and struggling to access healthcare services for whatever reason please contact us today at Crane Medical Centre on **01978 810844** as we are happy and excited to accept new patient registrations and welcome you to our practice.

We look forward to updating you in next edition.

EDITORS COMMENTS

It was so good to be able to hold our Remembrance Service this year and what a great turnout. A big thank you to our Clerk Trina and the team for all their hard work in organising this and the tasty buffet at the George Edwards Hall afterwards. It has been great to have Raf and the CS Team back and we have been out working on the ABC Steps, American Hill and around Llys y Graig after nearly 2 years some of these areas are very overgrown! Good to see our PCSOs out and about across the ward and Lara has an update on page 15. I hope you are getting used to these dark nights, they make it feel like Christmas is on its way, I am looking forward to all the shop window displays for our Community Council Window Competition and the lights switch on. The Friends of Ruabon Santa float will be coming to Plas Madoc and Cefn so look out for posters with the route. Please get in touch on **07532 780007** or email me at: tyger@tygertactics.com

Stay safe, Tyger.

TOWERS DAY NURSERY

The children have been busy in the nursery garden lately; harvesting and eating the produce that we have grown. This year there was unfortunately no

Community Council Gardening Competition but we still managed to produce a lovely show of flowers etc. In October, a photographer visited the nursery to take photos of the children. These made an ideal Christmas gift. On 29th October, children came to nursery in fancy dress for our Halloween/Bonfire night celebrations. Pumpkin carving, spooky biscuit baking etc were carried out alongside lots of art and craft. Belle visited us too.

For *Children in Need* week, children wore a fancy dress costume or pyjamas in return for a donation to the charity. The children can now look forward to Christmas and will be busy making cards and decorations. We hope to have a visit from *Father Christmas* on the day of our Christmas party. Children may come in Christmas jumpers during the final week of term. We will close on Friday 24th December at 5pm and will reopen on Tuesday 4th January 2022. New children are welcome to apply for a place from January.

KIDDIES WORLD NEWS

We have had such a busy start to the new school year. The children have been exploring their new classroom and settling lovely.

Our *Playgroup plus* children have come back very eager to play and meet up with their friends. We have purchased a few new pieces of equipment to make the room very inviting and a calm place. We have introduced a new sensory area for times when children want to explore using their senses or just to chill in a darker calming environment. We have also introduced lots of new loose parts play, this gives the children the opportunity to use their imagination to build garages, houses, farms etc. This in turn is supporting them to gain essential key skills through play.

We also cannot thank **Josies Chip Shop Rhosymedre** and their customers for the generous donations we have received over the last couple of years. We have been able to replace flooring to non slip flooring in the community building we use for wrap around and toddlers and purchase new equipment. We really do appreciate the donations so Thank you very much.

Our *Parent & Toddler Group* opened on Monday 15th November. The group is a place where toddlers can come to play and explore in a safe stimulating environment. It is also a place for parents, grand parents, carers etc to come to support one another. We are limited to 10 adults per session following government guidance so booking is a must. Sessions are Monday, Wednesday and Friday- 9:15am to 10:45am. For further information please contact Kiddies World on **01978 810242**

CEFN AND DISTRICT MUSEUM

The Museum reopened in July, and now welcomes visitors on **Mondays, Wednesdays and Fridays**, from **10am to 12.30pm**. We continue to have a wide range of objects and displays reflecting the life of our local community. Restrictions on visiting have been mainly lifted, but visitors who still wish to wear a mask are encouraged to do so. New items for display continue to be donated or loaned to us regularly. Those who wish to follow us online can look at our website cefnmawrmuseum.org.uk or follow us on Facebook **Cefn Mawr and District Museum**. We have ample visitor parking behind the George Edwards Hall, access off the Tesco roundabout. Our policy as a Museum is not just to welcome people through our doors, but to go out into the community and take the museum with us. We have for years now enjoyed taking our 'Museum in a Box' to people in care homes and community groups, and we hope that it will soon be possible to resume this. We are now also developing an oral history programme, in which we hope to interview people across our community, and record their memories and experiences. This will create a hugely valuable historical resource and help to preserve our community heritage and identity. If you are interested in being interviewed, please do not hesitate to get in touch with us — you can do this through the website, or else contact me directly on a.tiltman@hotmail.com or through a message on Facebook. CRIME TRENDS

PCSOs Update

Over the last couple of months, the Eastern District has seen a number of burglaries taking place, whereby offenders seem to be targeting high-powered motor vehicles, these are known as 'car-key burglaries'.

We have also seen an increase of forced entry to sheds, whereby high valued items have been stolen. Our dedicated Burglary Team work closely with neighbouring forces as these crime trends are often being committed by offenders who travel between different force areas.

Additionally, we have also seen a spate of number plates being stolen from motor vehicles; and unfortunately offenders will often use these to place onto stolen vehicles to be further used in crime. We are asking residents to remain vigilant, consider their home security measures and keep a check on their neighbours who may be more vulnerable. Please always report any suspicious activity to us.

Police Surgeries

Our Neighbourhood Policing Team have been holding regular 'police surgeries' whereby members of the community can take the opportunity to meet their local PCSO's to raise any concerns and chat about any issues. We are advertising the surgeries via Facebook, the NWP Community Alert system and by word of mouth. We look forward to seeing you at our next appointment.

Community Alert

In recent months, we launched our 'North Wales Community Alert' platform, which is a free messaging service whereby communities can receive up-to-date information on crime, local policing activity and crime prevention. Registrations can be made via the following link, or please contact your local PCSO and we will register on your behalf -

<https://www.northwalescommunityalert.co.uk/>

Thank you,

SIMULATOR OFFERING A GREAT OPPORTUNITY

Our clients on the *Communities for Work Plus* programme have been offered the opportunity to try a ground breaking piece of new technology to be able to try their hand at folk-lift truck driving, digger driving and HGV driving. This simulator based in **Xplore** in Wrexham town centre gives people an opportunity to try these jobs to see whether this might be a future career for them or used as an effective training tool to develop peoples skills in these areas. *Communities for Work* recently ran an open day opportunity over two days where clients booked in and given a half hour slot with an instructor provided by **Gatewen Training Ltd** to have a go. The feedback was really good from all of those who tried it. One said that it is so realistic and gives you a great idea of what it is like. Another who was unsure about his future career said "I thought it was great. This has given me the push to follow this path"

CHURCH NOTICES

CEFN MAWR CHRISTIAN FELLOWSHIP

The Real Thing!

It was the night before Christmas and the magic was there
The presents were wrapped – each handled with care!

The tree shone with lights in the dark of that room
Because that day drenched in fun would arrive - very soon!

Forgotten was the stress of the times in the shops
Of carrying heavy bags – of which there were lots!
Or of the long list of cards to pick, read and to write
.. this was now - somehow lost - in the joy of that night.

The turkey was stuffed, and the sausages rolled
The veggies prepared (but still stored in the cold!)
The pudding was ready, waiting now to be steamed
And the mince pies all cooked - tasting better than dreamed!

All the stockings were hung on the bed for that night
Assorted garlands all sparkled in the reflection of light
There was great fun and laughter now heard in each room
which had overcome darkness, sadness and gloom

But let's take a moment, to think what 'this' is all for
As we now take a peep through the 'old stable door'
To that old dirty manger - with that babe in the hay
The Christ child – sent by God – to show us the way
A gift of such splendour - to pay the price for our lives
Is there room in our hearts - to allow this thought to arise?
Do we have that space in our hearts to let Jesus stay?
If we do, then there's reason for 'great joy' Christmas day!

Would you like to know more about the true meaning of Christmas? Then why not come along and join us at The Meeting Place (Cefn Old School Canteen) for our family **CaféChurch** – at 10.15 every first Sunday of the month, or our **Social**

THE FRON - A BUSY END OF YEAR

2021 is ending on a high note for the Fron Male Voice Choir, as their calendar of events is taking a familiar look. They have four events to end the year. *Sunday, 28th November*, at

The Adelphi Hotel, Liverpool, to mark the 100th Anniversary of the Royal Signals.

On *Friday, 3rd December & Saturday, 11th December*, they have "A Choral Christmas Concert" at St Giles Parish Church, Wrexham, and then at the Holy Trinity Church, Oswestry. 'Lleisiau'r Afon', a Ladies choir from Carrog, will be sharing the stage on both occasions. The Fron's music director, Leigh Mason, will be one busy lady as she will be conducting both choirs. The good news for the organisers (but not so good for the supporters of both choirs) is that Oswestry has SOLD OUT, and by the time this newsletter goes out, undoubtedly, the same will be said of Wrexham as there are under 20 tickets are left.

The year ends with their usual last Saturday before Christmas Concert at the New Vic Theatre, Newcastle-under-Lyme. This *Saturday, the 18th of December* concert, will mark the 36th year for the Fron to hold a Christmas Concert at this wonderful venue. Their Christmas concert was delayed one year when severe weather closed the theatre, but it went ahead early the following year.

2020 would have been the 35th consecutive year for the Fron to sing at this purpose-built theatre in the round. The pandemic broke the sequence in 2020 when the UK went into a lockdown. Christmas is not Christmas for the choir without their concert at the New Vic!

RAISE THE ROOF COMMUNITY SINGING FOR EVERYONE

Our Choir is now up and running again. We meet to sing every **Thursday** evening at 7pm in **St John's Church, Rhosymedre**, and anyone would be very welcome to join us. No technical knowledge of music is required, just an enjoyment of singing. We sing a wide range of popular and well-known songs. Our plan, as we grow together in our singing, is to be able to go out and sing sometimes at community events. We are looking for more people to come and join us, so please feel free to come in on Thursday nights — you will be very welcome. Seating is socially distanced across the nave of the church, and do bring a mask if you prefer to, although we don't wear masks during the singing itself. If you have any questions you wish to ask, please contact our choir leader, **Nova Evans** on nova.4song@gmail.com or you can look us up on the Raise the Roof Facebook page.

YSGOL ACREFAIR NEWS

Although we aren't quite back to 'normal' in school, it has been wonderful to see the children settled into their new classes for the first part of the Autumn term and must say a huge well-done to all of Mrs Steen's Nursery pupils and the children in Mrs Brophy's Reception class who have settled into school so beautifully. It has been a pleasure to welcome you all into our school community. We started the year with a whole school focus on the theme 'No Outsiders in our school'. The main message of the work we did was 'everybody different, everybody welcome'. Children did some beautiful work in each class exploring this theme at their own level. We shared some beautiful stories which helped us think about this message and the children thought of lots of different ways that we can make sure that everybody feels welcome in our school.

Since then, each class has embarked on their own inquiry, focusing on questions from 'Where my school shoes take me?' based on Michael Morpurgo's beautiful compilation of poems in 'Where my wellies take me?' to 'What is the true cost of coal?' where the children have researched how coal mining contributed to our local history including the Gresford Colliery and also the impact on burning fossil fuels on the environment. At the start of COP26, Year 6 created a movie which we sent to UK Parliament and the Senydd letting them know what our concerns are over the impact that we are having on the planet!

We've been very busy with lots of extracurricular activities getting back up and running- from archery and football, to gymnastics and netball, we've loved having after school clubs to help us keep fit and healthy! The daily mile track is being used by all pupils regularly at breaktimes and during lessons too. Mr Allman took our football team to their first match and they represented the school beautifully! Our Pupil Parliament is up and running too and the Key Action Groups including Criw Cymreag, the Green Team and Digital Leaders are busy working on their action plans for the year. It certainly has been a very busy start to the year!

YSGOL MIN Y DDOL NEWS

What a fantastic start to the school year here at Ysgol Min y Ddôl. All our pupils are studying their locality whether it be focussing on industry, buildings, land use and possible improvements and we can only thank everyone in the community for working so closely with us to enrich their experiences. T Mawr have been very welcoming in encouraging our younger pupils to help create a Welsh Language activity for children when visiting the park. All the local shops have helped look for 'Tedi Twt', the school's mascot, who has gone missing and have happily agreed to display the children's posters in the hope of finding him very soon. Cefn Mawr Community Council and Volunteers at the Museum have also been extraordinary in communicating and accommodating our older pupils in their mission to improve the locality's amenities and online presence. A recent visit to the museum was very enjoyable and successful whereby the children all completed the challenge set to them by the volunteers. A big thank you to you for welcoming us – we'll be back! The children and staff would again like to thank the Community Council for their very kind donation towards building resources for one of our classes. The class purchased an interlinking wooden building resource that they have used to recreate a model of their village.

Also a big thank you to the children who have participated brilliantly in the various activities we have done this term. We have celebrated Owain Gwynndwr day, Roald Dahl Day and have had the pleasure of welcoming both Cefn Druids FC and Wrexham FC into our school to promote football and fitness amongst our pupils. Towards the end of term we also celebrated by having a fun filled Spooky Disco which raised over £200 for the school. Thank you to all who contributed.

YSGOL CEFN MAWR NEWS

It was a very busy first week back after half term with a Super Learning Week across the whole school based on the 'Celebration of Light'.

Activities were all based on the New Curriculum for Wales. They particularly enjoyed Samba drumming with *Jonny Baxter (Music Cooperative)* We were very lucky to have *Diwali* workshops during the week with special visitors who set up a Hindu temple area with lots of wonderful artefacts for the children to enjoy, with dressing-up, dancing and the story of Rama and Sita.

The children had plenty of exercise playing *Glow in the Dark Dodgeball* and participated in a Firework themed dance with scarves and a dance to a Firework song, the children dressed in bright colours on this day. Pupils learned about Firework Safety and made super safety posters in readiness for Bonfire Night.

Mr Robinson (Ysgol Rhiwabon's Lead Learner for Science) visited school with Science equipment for light sources and a rainbow wheel. A big thank you to all staff who have made the learning fun in each classroom with activities in the challenge areas in each class to support our learning theme, the children had a great week.

As a reward for their hard work last half term and to celebrate *Halloween*, children and staff wore Halloween costumes with activities including arts and crafts, writing spooky poems and pumpkin trails throughout the day. Children also enjoyed dancing to their favourite Halloween songs in their class bubble

discos. We celebrated *Harvest Festival* at the start of October, each class took part performed Harvest songs and poems. Year 5 pupils wrote a class poem for our Key Stage 2 service. We would like to thank our families for their very generous food donations for our Harvest Festival, all donations were given to our local Community Foodbank at the CRNCA. *Richard Darlington, Sports Development Officer for Wrexham Council*, visited our Year 5 pupils to complete a *Playmakers* training session. The pupils were taught a series of games using an assortment of equipment to play with their friends on the playground. The pupils enjoyed the session and have started their role on the playgrounds this term.

Dear All, as winter approaches, work on the Ebenezer continues. We hope to turn it around and reopen the building on a commercially viable basis as an Arts & Visitor Centre and Community Facility for the Cefn in the central section of the Pontcysyllte World Heritage Site. We have held an official Public Consultation during July and August, but our door always remains open to good ideas and suggestions.

The list of ideas to date from our community and other organisations include the following: Post Office, Cambria Community Bank, Café, Library, Wellness Centre, Book Shop, Place of Worship, Arts & Visitor Centre for the Cefn & Cefn Mawr, Local Tourist Information Facility & Booking Service, Welsh Language Classes for adults to improve local Welsh Literacy, Hot Desk Facilities for CAB, Hot Desk Facilities for Employment Agencies, Ongoing programs of Short Courses in Arts, Crafts and Traditional Building Skills, Short Computer Literacy Courses and Personal Tuition for Maths, English & Welsh, Princes Trust & NEET Programs for youth and young people, central gathering point for guided walking tours explaining the Industrial Heritage of our area and why the aqueduct and viaducts are built where they are, National Lottery Sales, Community Cinema, Youth Club, Shop Units, Snooker Hall, Wine Bar, Night Club, Youth Hostel, Tai Chi & Yoga Classes, Debating Club, Art Group (Pallet People), Tea Shop, Wedding Venue, Gymnastics, Basic Computer Literacy Courses, Funky Bees, Rainbow Centre for Care & Support Facilities, Micro-Brewery, Distillery, Wynnstay Venerable Housing Programme.

If we are successful with local businesses for shared occupancy, we can open next year. One of the most popular ideas has been the relocation of the Post Office to the centre of Cefn Mawr. This linked in with a Café and either a Wellness Centre or perhaps relocation of the Library would work well together and form baseline business activity that the other suggestions could be incorporated with. The scope of opportunity is good and much can be achieved by working together for the benefit of our community, the largest community in the whole of the World Heritage Site Corridor and we remain hopeful others will do so.

Thank you all for your contributions to the consultation and see you at the Holly for a beer some time.

We started a [National Petition for Duty Free Keg Beer](#) to help all pubs in the Cefn, Wales and the UK. It will also help get the licencing system back under control and curb some of the negative effects of alcoholism we have seen so clearly during COVID 19 pandemic. Please help our pubs and the Environment by signing.

Regards, David Metcalfe, Cefn Community Councillor & Dee Valley AONB Champion.
